

Municipal Corporation Kota North

Ref. No 2243

Pre-Bid Queries

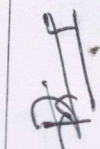

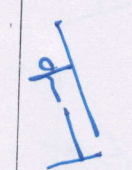

Date 18.03.2021

Name of Company/Firm		Zigma	
S. No	Criteria as per document	Clarifications Sought	Reply
1	It mentions that "The bidder must be a registered Contractor in appropriate class with the department/Organization. He shall furnish necessary proof for the same. PSU can be participate in tender without registration."	Kindly clarify on what kind of registration is requested here and what proof needs to be attached for the said qualification. Since it a national tender or request is to kindly omit this clause.	Firm registration Work order from any Govt organization regarding bio remediation is allowed
2	The Clause mentions that the selected bidder shall have to be got registered with the sales tax department of the state government and submit the proof of registration before signing the contract agreement.	Since it is a GST registration, it is requested to kindly accept the GST registration certificate instead of above clause	GST Certificate is permissible
3	The bidder should have manpower of at least 200 persons each year employed by the bidder for execution of sanitation work in last three years.	It may kindly be noted that the said work requires not more than 60 workers if 24 hours operations are carried out and hence requiring to show 200 persons being employed is highly based request to kindly revise or omit the clause according.	Condition deleted
4	The bidder must have ISO 9001: 2015 License which is at least three year olds and having valid license for next two years and the same may be renewed time to time till the completion of project	It may kindly be noted that the ISO certification is not at all related boimining and hence making this clause compulsory would not allow genuine players to participate. Hence, or request is to kindly not make this clause compulsory but desirable.	No Change

S. No	Criteria as per document	Clarifications Sought	Reply
28	JV not allowed.	We request you to Please allow Joint venture of maximum 2 members for this project.	JV not allowed
29	The bidder must have experience in last 3 years in Processing of solid waste/Bio-remediation of legacy waste sector in any Govt. Organization/ULB Single Work amounting to Rs. 16 Crores OR Two works each amounting to Rs. 10 Crores OR Three works each amounting to Rs. 7 Crores	We request you to kindly include entities having waste experience of Collection and Transportation of municipal solid waste having 150 TPD Capacity of waste tonnage in the last 10 years.	No Change
30	Bidder have net worth of Rs. 20 Crores after invitation of bid to review the financial capabilities of Firm/ Bidder. by any Centralized Bank in India.	We request you to kindly consider net worth of at least 25% of the Project Cost. This will enhance maximum participation of the bidders in the bidding process.	No Change
31	The bidder must be registered under ESI / EPF act	The labour generally hires through the labour contractor therefore the conditions to be removed.	No Change
32	The Bidder should have manpower of at least 200 person each year employed by the bidder for execution of sanitary work in last three years	The labour generally employs through labour contractor therefore the conditions to be removed. As the current project does not require labour in that count. For this volume of the project maximum labour required is 40. All the work will be carried out machinery so this clause needs to be deleted.	DELETED
33	The bidder have ISO 900: 2015 which is valid from 2017 onwards and have validity for next two year	The requirement of ISO certificate should be exempted as it will reduce the no. of bidder to be participate in the tender therefore KMC get only limited bidder and will pay more due to noncompetition of the bidders and non-participant of the several	No Change

[Handwritten signatures and initials in blue ink, including a large signature on the left and initials 'H-P' on the right.]

	bidder. ISO certificate is not at all related to Bio-mining work so kindly remove this clause.		No Change
34	The monthly progress report of last six month certified by the ULB for bioremediation / biomining work in present financial year		No Change
35	The bidder have ISO 14000: 2015 which is valid from 2017 onwards and have validity for next two year		No Change
36	JV Not Allowed	As you are aware, biomining/ bioremediation of legacy waste is new in India and not many organizations are having required set of qualification. However, they have experience in treatment of legacy waste.	JV not allowed
37	Only those bidders will be eligible who have a minimum average turnover of Rs. 25 crores for last three financial years	Thus, a fair chance to be given to such organization also	No Change
38	The bidder should have manpower of at least 200 persons each year employed by the bidder for execution of sanitation work in last three year	As understood, the project cost is Rs. 20 crore and as per the CVC Guidelines and Rajasthan Procurement Rules minimum turnover should 30% of the project cost. customized equipment is required in biomining/ bioremediation of legacy waste such as Trommel, JCB, Pocklain etc. Further, requirement of manpower is very less for such projects	DELETED
39	Bidder should have net worth of Rs. 20 crores after invitation of bid to review the financial	As understood, the project cost is Rs. 20 crore and as per the CVC Guidelines and Rajasthan Procurement Rules minimum net worth should be positive.	No Change

	capabilities of firm/bidder by any centralized bank in India	Further, there seem to be a typo error as bidder should have net worth before the submission of tender and certified by Chartered Accountant.
